

Internships

Internships are available throughout the year in my District Office in Johnstown, PA. Intern duties include assisting staff in all forms of constituent services along with project work in the fields of economic development, infrastructure and emergency management.

Due to demand, if you are interested in becoming an intern in Congressman Murtha's Office, please contact my District Office well in advance of the semester of the internship to check on availability. Unfortunately, there are no internships in my Washington, D.C. Office.
