

August 7, 2008 - Murtha: New Cornerstone Care Center in Greene County Underway with \$1.3M Rural Development Loan

JOHNSTOWN, PA -- Congressman John P. Murtha (PA-12) announced today that the U.S. Department of Agriculture, Rural Development, has provided a \$1.3 million dollar loan for the construction of a new medical services building in Waynesburg, PA. The facility will employ 15 people and will house a dental clinic, counseling and psychiatry services, as well as office space.

Congressman Murtha's efforts to improve access to preventative medicine, expand medical research, and ensure that health care is affordable have benefited people across our region. With the construction of new medical facilities like the Cornerstone Care Center in Greene County, our area will continue to receive top-notch health care for years to come.

The project, already underway, is expected to be finished late this year.
